PROFILE

I've led a very colourful career working in veterinary medicine, laboratory research, and now the animation industry.

Being analytical and artistic has allowed me to thrive in detail-oriented positions.

As a fast learner, I'm always open to developing new skills.

I am excellent at following instructions, being thorough in my work, and have plenty of experience working as part of a team.

EXPERIENCE

PIP Animation Services | 2D Builds & Rigging Artist | Jun. 2023 - Oct. 2023

Short-term contract. Creating functional character and prop builds for animators. Clean-up and building character turn-arounds and rigs to be used in production. Designing extra views for characters and props when required.

SpindleHorse Toons | Jr. 2D Composer | Apr. 2022 - Oct. 2022

Helluva Boss (s2). Compositing in After Effects. Applying treatments unique to the show and scene environment. Lighting and colour adjustments. Revising animation and fx for quality and consistency. Adding camera movements.

Mercury Filmworks | Jr. 2D Builds & Rigging Artist | Feb 2021 - Sep 2021

Disney's Ghost and Molly McGee (s1). Building props, characters, and costumes in Toon Boom Harmony. Creating accessible builds for animators.

VCA Alta Vista Animal Hospital | Veterinary Technician | Nov. 2014 - Jul. 2019

Registered Veterinary Technician, Triage and Emergency. Frontline assessment of incoming emergency cases, providing medical care to in-house and out-patient animals, laboratory diagnostics, customer service and client interaction.

Health Canada Scientific Services Division | Jr. Lab Technician | Feb. 2018 - Apr. 2018

Short term contract. Lab animal husbandry, assisting researchers, feeding and monitoring animals.
